

Driver Educators;

MDTSEA Regional Workshops are designed so we can get together and discuss our successes and problems. The cost will be \$25 for 2007 members and \$40 for non-members. Ten workshops will be offered so you can choose the nearest town or best date. The schedule calls for 5:30 registration and social time. Meals will be served at 6:00. After the meal we will have a discussion with an examiner from the region. Following that discussion we will examine curriculum materials. We have promised the restaurants to be out by 9:00 but expect to be done earlier. Some locations require meals to be ordered two days in advance so you must pre-register by November 24. That is the day after Thanksgiving.

This notice is being sent to our current mailing list. If you know of another driver educator please make a copy and pass it on. Continuing education credit forms will be provided.
